NEWSLETTER

FEBRUARY, 1979 MEETING

- WHEN:** Monday, 19th. February, 1979 at 8.00 p.m.
- WHERE:** Monash University Club,
Wellington Road,
CLAYTON.
- WHO:** Mr. Bill Woodman,
Technical Director, A.T.C. London.
Bill is a graduate of Bendigo Technical College.
He obtained his M.Sc. London University and has
been a member of A.E.S. (London) six years.
- WHAT:** He will demonstrate his S-50 Studio Control Monitors.
These speakers were recently selected for use in the
Royal Opera House, London and Scotland Television,
in the face of international competition.
- A 200 watt per channel B.G.W. 410 Amplifier from the
U.S.A. will be used to drive the speakers.

March meeting (to be advised later) will be a talk
and demonstration on several makes of Real Time
Spectrum Analyzers and associated equipment.

A.E.S. MEETINGS ARE OPEN TO ALL
INTERESTED IN AUDIO
